

**Remarks**

The specification at pages 8 and 18, as well as claims 1 and 4, have been amended in the same manner as in the Amendment filed under PCT Article 34 during the International Phase.

In addition, claims 6-8 have been amended to depend from only a single preceding claim, in order to reduce the filing fee, as a result of which new claims 10-15 have been added to the application. These new claims are the same as claims 6-9 except for their dependency.

Respectfully submitted,

Eiichi KAJI et al.
